This stunning Craftsman styled home provides the perfect retreat for those seeking beauty, luxury, relaxation and fun in a beautiful mountain setting. Two Master Suites and Two kitchens, one each on main and terrace level, with SS appliances and granite on main. Terrace level also has room for pool table and media area. Great room has a cozy stacked rock, wood burning fireplace. Spacious screened-in veranda overlooks the private backyard lake. Don't forget your fishing pole! This little gem of a lake is stocked every year. Covered pavilion by the lake. Furniture and Paddle boat remain, with only a few exceptions. Start your New Year off right, with a place to live your best life.
