Rarely can you find a combination waterfront/equestrian luxury estate. A place for the good life on water and on horseback. The waterfront portion of the property is perfectly suited to take advantage of lake life with level grounds wrapped with beautiful retaining walls. Natural buffers adorn the 233 feet of shore front. A gently sloped manicured lawn leads to an aluminum docking system in the water, perfect for docking boats or Jet skis. A 1200 square foot deck off the main living area of the house equipped with timber canopies and stone fireplace is there for you to enjoy your south westerly views. Sunrise Lake is a beautiful 247-acre Lake in the heart of the Lakes Region of New Hampshire. Most of the time it feels like you have the place to yourself with the peace and serenity of the wildlife. If you crave the social experience there is a tight knit community of friendly neighbors and fellow boaters. Paddle board or jet ski to an island and cast for bass off its shore. Watch and listen to the majestic call of the family of Loons that return and have new babies every year. Behold the Bald Eagles that soar about the Lake and often perch in the towering pines along your shorefront. Take a swim in the cool clear lake waters, perfect for a quiet paddle board or kayak. Directly across the private road is your 16-acre equestrian complex that has many uses. This portion of the property includes a gorgeous multi-use barn equipped for horses, toys, plenty of storage.
